

UK Entertainment Awards

About us

UK Entertainment Awards (UEA) celebrates and recognises talents within UK entertainment showcasing creatives in music, comedy, online media and film.

Launched in 2014, UK Entertainment Awards was created to recognise and award the talents which are not often acknowledged by mainstream media and awarding platforms.

We have dedicated time into supporting and empowering young people by organising live entertainment and showcases for up and coming talent across the UK.

We have welcomed the likes of Grammy award winner Ella Mai, Mo The Comedian, director and writer of Blue Story Rap Man and many more.
